

FLUTE CHROMATICS

Play line 1 slowly: focus on hand position and tone quality

1.

Start line 2 slowly, then eventually speed up!

2.

Start line 3 slowly, then eventually speed up! Line 3 is the same finger pattern as measure 10, just tongue each note twice!

3.

Start line 4 slowly, then eventually speed up! Pay close attention to accidentals that carry through the measure
